# WIKO® POWER HAND CLEANER

THE NEW HAND CLEANER -  
EFFECTIVE CLEANING MEETS SKIN PROTECTION

# WIKO® POWER HAND CLEANER

WIKO® POWER HAND CLEANER is a high-quality, medium-viscosity washing cream that has been specially developed for medium to heavy soiling. The formulation is characterised by the following properties:

- High-quality perlite grater bodies ensure effective cleaning.
- pH-neutral formula protects the skin's natural acid mantle.
- Pleasant and fresh scent of orange oil.

## Advantages at a glance:

- Gentle on the skin: Suitable for multiple daily use.
- Biodegradable: 90 % biodegradable and therefore environmentally friendly.
- Blockage-free: Perlite as a friction body prevents the blockage of drains.
- Efficient: Just a pea-sized amount is enough for thorough cleaning.

## Areas of application & industries:

- Workshops
- Craft
- Agricultural engineering
- Vehicle and bicycle repair
- Production
- Mining
- Offices

## Available container sizes:

- 500 ml bottle
- 4.000 ml canister\*
- 5.000 ml canister\*
- 20.000 ml refill canister

\* Accessories optionally available separately.
